LOCAL OPTION LEVY SUPPORT – THANK YOU!

On behalf of the men and women who represent Crescent Rural Fire Protection District (CRFPD), I would like to extend a sincere thank you! On Tuesday, November 7, 2017; voters within CRFPD elected to renew a Local Option Levy for personnel.

In November 2012, CRFPD placed the original Local Option Levy on the ballot. The emphasis for the Levy was to allow for continued staffing levels. Now, just as five years ago, staffing levels remain very low. Without a renewal of the Local Option Levy, staffing levels were at risk of reduction.

With the support of voters, the future of CRFPD's current staffing level will remain as is. The Levy provides for one "dual role" Firefighter/Paramedic.

What does this mean?

- Pay's for emergency medical responses and fire protection by retaining 1 full time Firefighter/Paramedic.
- Continued Advanced Life Support on your Ambulance.
- Facilitates training and recertification support for our volunteers.

In part of CRFPD's conservative budgeting practices, the current levy will remain the same amount (\$0.87/\$1,000 assessed valuation) as originally passed in 2012.

Your support for CRFPD will help us, help you, in your times of need. If you have any questions, please feel free to contact us at any time.

Dylan Webb, Fire Chief
Crescent Rural Fire Protection District/Central Cascades Fire & EMS
